Description Product Details Click on the cover image above to read some pages of this book! Ideal for courses in contemporary moral problems, applied ethics, and introduction to ethics, Disputed Moral Issues: A Reader, Fifth Edition, offers a unique pedagogical approach that bridges moral theory and applied ethics. Bringing together
sixty-eight engaging articles, it also includes an accessible Moral Theory Primer (Chapter 1). Each selection is enhanced by a host of pedagogical features, including concise summaries, reader cues referring to pertinent moral theories, and reading and discussion questions. A "Quick Guide to Moral Theories" at the front of the book and
an extensive glossary of key terms are also included. A "User's Guide," which follows the preface, shows instructors how they can integrate moral theories and applied ethics into their courses.
